

Microsoft Dynamics AX/D365 Sr. Finance Consultant

HSO is seeking a Microsoft Dynamics AX/D365 Sr. Finance Consultant to lead the implementation, upgrade, and/or extension of existing applications and efforts.

Minimum Requirements:

- In-depth functional knowledge of Microsoft Dynamics AX/D365 Finance Modules
- Three full years of recent Microsoft Dynamics AX/D365 Finance implementation experience
- Two full Microsoft Dynamics AX/D365 implementations (Analysis through Deployment)
- Structured implementation methodologies experience
- Certification in Microsoft Dynamics AX
- Excellent communication, planning and organization skills
- Strong customer relationship skills

Desired Qualifications:

- Bachelor's degree in Business or Operations Management or related field
- Three years of business and/or consulting experience

Responsibilities:

- Ensure Customer Satisfaction
- Successfully implement practical business solutions using industry and HSO best practices
- Facilitate the implementation and support of Microsoft Dynamics AX/D365 Finance in a client location
- Communicate with internal Project managers, client's Management, on-site and remote development teams, and the extended user community to drive day-to-day initiatives, and research and recommend strategic directions and solutions.
- Work with customers to understand their business requirements and conduct gap analysis
- Convert requirements to functional specs and functional design documents
- Communicate effectively in all mediums and to all levels within the organization

Additional Information:

- Ability to establish priorities and work independently.
- Ability to travel extensively to customer locations, as required.
- English: Fluent.
- US or Canadian legal employment status.
- Must possess a valid Driver's License.
- Full-time, virtual office-based position in North America.

To apply, please send your resume to careers@hso.com.
