HSO TO PROVIDE TRANSFORMATIONAL ERP SERVICES TO CITY OF REDMOND

January 31, 2019 – HSO, a Microsoft Solution Integrator for implementation, optimization and 24/7 management of Microsoft Dynamics, has been selected by the City of Redmond to support its Microsoft Dynamics environment and provide transformational ERP services as the City plans its migration to Microsoft Dynamics 365.

“We are delighted to have HSO as our selected partner for this strategic initiative.” Says Dawn Johnson, Senior Business Systems Analyst for the City of Redmond. “We looked at several Dynamics partners and ultimately chose HSO. We were mostly impressed with their recent success and focus on public sector and ability to provide managed services to the City.”

“We are very excited to be part of the modernization of the City of Redmond’s ERP environment. Particularly, as it moves its solution to the Microsoft Cloud by migrating to Microsoft Dynamics 365.” Says, Jeffrey Michaels, COO for HSO North America. “The City of Redmond’s decision to partner with HSO is further validation of our continued focus on serving the public sector.”

About the City of Redmond

Redmond is a city with a population of over 60,000 in the Puget Sound Region of Washington State and has been the home to Microsoft’s headquarters since 1986. Redmond is a city that prides itself on having a high quality of life that welcomes diversity of people and cultures. The city is also known for having a wide variety of businesses, taking care to protect the environment, and providing a beautiful system of parks, trails and activities to its residents.

About HSO
