HSO Selected by Microsoft as Preferred Standard Migration Assessment (SMA) Program Partner

February 6, 2020 – HSO is pleased to announce that we have been shortlisted as a preferred partner in Microsoft’s Standard Migration Assessment (SMA) Program. This program is available to select Dynamics partners to help kickstart the cloud journey for existing AX customers, helping them understand the migration benefits, process, and ROI of moving to Microsoft Dynamics 365.

HSO was selected by Microsoft as one of only 8 preferred SMA partners worldwide because of our global capability to implement Microsoft Dynamics 365 ERP solutions.
